

2018 MTUG Summit Parking Info

HOLIDAY INN BY THE BAY – MTUG EVENT PARKING & TRANSIT

EVENT PARKING (if full, see "Alternate Parking" below): *Special event parking is available for \$5.00 on a first-come, first-served basis (white gated parking structure on Spring Street adjacent to the hotel) – for the Hours of the Summit only -- after 5:30pm, the discount will NOT apply. DO NOT PARK UNDER THE HOTEL unless you are an overnight guest.*

Attendees who are Holiday Inn by the Bay Overnight Guests, will be charged \$10.00 per night and will be posted to your room bill. These guests will be directed to park behind/under the hotel.

ALTERNATIVE PARKING

If the designated event parking fills up (it has some years), please review the below suggestions for alternative lots in the area – the MTUG discount parking does NOT apply to these lots.

- **Spring Street Garage at 45 Spring Street** (southwest/next door to the Cross Insurance Arena). Across the street from the Holiday Inn by the Bay, further northeast of the hotel, toward the Old Port. City-run lot is \$2/hour, \$21 per day max.
- **Temple Street Garage at 11 Temple Street** (same building as Nickelodeon Cinema). The Temple Street Garage is 2 full blocks northeast of hotel, at the intersection of Spring and Temple Street (Temple goes to the left, Union St. to the right). The Cinema is at that corner, and the Parking Garage is next to it. Privately managed lot is \$4/hour, \$37 per day max.
- **Updated parking options may be found at the MTUG Summit website at <https://www.mtug.org/summit#Parking>, and at the City of Portland website here: <http://www.portlandmaine.gov/431/City-Owned-Garages>**
- **Online Tool** (MTUG does not endorse): <http://www.bestparking.com/portland-maine-parking/>

ALTERNATIVE TRANSIT

Regional transportation may feature free or low cost parking closer to your home.

Portland Metro Site: <http://gpmetrobus.net/>

- **Portland Metro BREEZ serving Yarmouth, Freeport, Brunswick.** Comes within a few blocks of the hotel, costs \$3, and features wifi and USB charging ports. Route-specific map: http://gpmetrobus.net/images/route_maps_pdf/Route-BREEZ-spread-12-17.pdf
- **Metro Route 1 – East & West Ends & Portland Transportation Center.** Connects to Amtrak, bus lines: <http://gpmetrobus.net/images/stories/route-maps-pdf/2017-Route-1-spread.pdf>
- **Downeaster Amtrak / Portland Transportation Center:** <http://amtrakdowneaster.com/stations/portland> - only a quick walk away from Thompson Point attractions, including a winery, brewery and distillery. ☺

We hope these tips will help you find parking / transportation as easily as possible. Thank you!
